

# Midmark Dental On-Site Training

## Overview

Training classes for our dental products are available to our dental dealers (see class schedule for dates). Each class begins on Tuesday morning and runs through Thursday afternoon of the same week. We provide our guests with lodging and meals for three nights, training and a complete set of service and parts manuals in CD format at no cost. The only cost to our guests is the cost of transportation for training. We ask that you arrive by 5:00 pm on the Monday prior to the start of class. If you arrive on Sunday, you will be responsible for the cost of lodging for that night. For those that fly here, we suggest you arrive at the Dayton International Airport no later than 4:00 pm on Monday evening. We will provide complimentary travel to and from Versailles, OH, where you will stay at The Inn at Versailles. We also provide transportation to and from training and for scheduled activities.

If you'd like to register for one of the classes or check availability, please click on the registration link and submit a request with three choices of preferred dates. A reply will be sent to notify you of the first available choice. Each class will be filled with the first 12 registrants. You can also register by calling Jenny Spangler at 1-800-MIDMARK ext. 8412.
